Pricing and Billing

Prices for all titles in this catalog are FOB Franklin Lakes, NJ. We will ship any orders in the United States on open account to the book trade, schools, libraries, corporations, or associations. All consumer-direct and overseas (non-U.S.) orders must be prepaid and are purchased on a non-returnable basis. Prepayment can be made by check, money order, MasterCard, Visa, or American Express.

Postage and Handling Charges

We prefer all single title shipments to be sent via priority mail. Cost depends on the weight of the book and will be given upon receipt of your order. If you wish for your book to be sent via mail, please note that the books are shipped 4th class which can mean up to 2 weeks for delivery, and the charges will run \$2.50 per order plus postage of \$.75 per book.

Overseas orders: Please add 10% of total book purchase to the shipping charges above to cover additional postage/shipping costs to your country.

We prefer to send shipments via UPS in order to provide tracing, but we will ship 4th class book rate or library rate at your request (see order form). If such non-traceable shipping is used, you assume all risk for loss or damage of order.

Prepaid orders should add appropriate shipping charges to their payment; these charges will be added to non-bookstore orders that are billed.

Examination Copies For Text Consideration

Examination copies of all titles published by Career Press are available to school or college teachers considering them for classroom use (as required or supplemental texts). Please mail or fax your request for specific titles on your institution's stationery. Limit: 1 copy per title/3 titles per request.

Corporate/Association and Other Discounts

Corporations, associations, or schools wishing to purchase large quantities of single or multiple titles for use as premiums, employee giveaways, in special promotions, circulation builders, etc., should contact **Laurie Kelly-Pye** at 201-848-0310 ext. 530 to discuss your needs and obtain a quote.
